June 18, 1919.

Clerk, Common Pleas Court,
Jefferson, Ohio.

Dear Sir:

Receipt is hereby acknowledged of notice given by you that there will be a hearing of petitions for naturalization under the eleventh subdivision of section four of the Act of June 29, 1906, as amended by the Act of May 9, 1918, on the date stated therein. These petitions were filed by natives of countries with which the United States is at war.

You are informed that the Bureau hereby objects to the hearing of the petitions filed by the aliens named until it has been affirmatively established to the satisfaction of this Bureau and the Department of Justice that they are such persons as would warrant the Bureau in withdrawing the objection which, under the Act of May 9, 1918, operates to defer hearing of cases until withdrawn.

Please understand that petitions filed under the eleventh subdivision constitute no exception to section six of the Act of June 29, 1906, requiring petitions to be heard only on stated rule days.

The Government will be represented, through this Bureau, at the hearing on these petitions. The appearance will be in person, if possible, or otherwise in writing.

Service is accepted of your notice in the cases as indicated:

See the notice attached.

Very truly yours,

Commissioner of Naturalization.

IN REPLYING PLEASE REFER TO THIS

Clerk, Common Pleas Court,
Jefferson, Ohio.

Dear Sir:

1. Referring to your letter of October 4, 1919, you are hereby authorized to treat as "spoiled" petition No. 559, filed in your court on June 16, 1919, by Francesco Bianco, in view of the fact that he arrived in the United States after June 29, 1906.

2. In regard to petition No. 529 filed by Guisepe Di Piero to which was attached a certificate of arrival in the name of Domenico Corrado, you are informed that the Bureau has been endeavoring to obtain a proper certificate of arrival, but thus far has not been successful. Inasmuch as a certificate of arrival was attached to the petition at the time it was filed, even though it now develops that it did not apply in Mr. Di Piero's case, the Bureau does not believe it to be necessary to mark this petition "spoiled". Its efforts toward obtaining a proper certificate will be continued, and it is suggested that you get in touch with Mr. Di Piero and obtain all the information possible relative to his arrival, so that the matter may receive further consideration.

Very truly yours,

Commissioner of Naturalization.

IN REPLYING PLEASE REFER TO THIS

Clerk, Common Pleas Court,
Jefferson, Ohio.

Dear Sir:

1. With reference to previous correspondence concerning petition 649, in your court, filed by one, Henry Ruff, you are authorized to mark the same "Spoiled" for the reason set forth in your communication of the 3rd instant. Inasmuch as the applicant is entitled to file a complete petition upon the payment of \$4, this amount should be applied to the filing of a new and complete petition when a copy of his declaration of intention is issued, and you should account for the same as in lieu of the spoiled petition in the usual manner.

2. It is desired to caution you, in this connection, against permitting aliens to file petitions for naturalization under the circumstances of this case as the law requires that the declaration of intention, and, in the cases of aliens who arrived after June 29, 1906, also the certificate of arrival, to be attached to the petition at the time of filing. See Section 4 of the law and rule 5 of the naturalization regulations.

Very truly yours,

Commissioner of Naturalization

IN REPLYING PLEASE REFER TO THIS

Clerk, Common Pleas Court,
Jefferson, Ohio.

Dear Sir:

Examination of the duplicate petition for naturalization described below shows that the declaration was more than seven years old when the petition was filed.

The act of June 29, 1906, provides that not more than seven years shall intervene between the filing of the declaration and the filing of the petition. It is useless, therefore, for the applicant to attempt to become naturalized upon his present petition.

As an unexpired declaration is essential to the validity of a petition the said petition is not complete and for that reason you are hereby directed to mark it "SPOILED". It should retain its number, however, as a means of identification, and under that number you should account for the petition, in your abstract of collections, as spoiled.

The \$4 paid therefor may be refunded to the applicant. If you have forwarded to the Bureau the Government's portion of the fee it will be treated as an excess remittance and returned to you. Information in the matter is being sent to the petitioner with a view to his making a new declaration of intention, for which he will be required to pay \$1.

Gentlemen :- MICHELE ANTIMO PETRECCA
Petition #742; Certificate #1689773

This naturalized citizen has called our attention to two errors on his certificate:

1. The certificate shows that ~~xxx~~ all of his three children reside at Ashtabula, Ohio, while the fact is, and was at that time the certificate was issued, that the two younger children were at Pesche, Italy, just as is stated in his petition.
2. The petitioner's street number is given in his certificate as 2, Columbus Street, while the correct number was as given in his petition, 202.

Please advise as to the proper procedure to have corrections made. The matter was taken up with the examiner in attendance at our hearing here yesterday, and he suggested writing the Bureau for permission to make the corrections.

Yours very respectfully,

Clerk.

INSTRUCTIONS TO COMMISSIONERS, NOTARIES, ETC.

READ CAREFULLY BEFORE TAKING ACTION.—In designating you as the official for taking these depositions, the Naturalization Service has acted solely as an accommodation to the petitioner. You must look to the latter alone for the payment of your lawful fee for taking the depositions, and if any additional information of any nature is needed, it must be obtained by you from him.

The petitioner has been notified by the Naturalization Service of your designation to take the depositions, as well as the time and place set. He has been instructed to make all of the necessary arrangements with you and with the witnesses in the matter. As a precaution, it is advisable that a few days before the date fixed for taking the depositions you remind the witnesses to appear before you. If the date designated is not convenient to all persons, there is no objection to the depositions being taken within a reasonable time AFTER the date fixed.

Before proceeding to take the testimony of the witnesses it should first be ascertained that they are citizens and that they each have the required knowledge of the petitioner's residence for the period shown on the face of Form 2220. If they are not competent, there is no objection to the use of other witnesses who may be competent. You may obtain the names of other witnesses through the original ones, from the petitioner himself, or otherwise. If other witnesses are substituted, insert their names on Form 2220 in lieu of the original witnesses named.

Swear the witnesses to the truth of their statements before taking their testimony. After the same has been reduced to writing and carefully read back to the witnesses, they should again be sworn to the truth of their respective answers, and their signatures obtained at the bottom of their respective depositions.

Your own certificate as commissioner or notary should then be annexed after the depositions, and the depositions, together with Form 2220, should be inclosed in the manila wrapper provided and the title of the proceeding and the nature of the papers inclosed placed on the outside of the wrapper.

The completed depositions should be MAILED DIRECT TO THE CHIEF NATURALIZATION EXAMINER, to whom the envelope which has been provided is addressed. The depositions are essential to the petitioner at the final hearing of his application for naturalization, and they should therefore be forwarded to the proper Chief Examiner without unnecessary delay.
