FILED IN COUNTY OF OHIO DEC - 1 1926 ASHTABULA CO. OHIO C. A. WARNER, CLERK

U. S. DEPARTMENT OF LABOR
BUREAU OF NATURALIZATION
WASHINGTON

November 15, 1926.

To Clerks of Courts exercising jurisdiction in naturalization proceedings, and others concerned:

The list on the reverse side of this form contains the names and titles of the rulers of foreign sovereignties, together with the names of foreign republics, as they should be used by clerks of courts in preparing declarations of intention and petitions for naturalization in conformity with law. This list should be strictly followed. Courts usually hold that failure to name the correct allegiance in a naturalization paper renders the paper invalid. In re Rothkowitz, 2 F. (2d) 634. Revised lists will be sent out by the bureau from time to time. Destroy all previous editions of this circular.

- (1) **Alsace and Lorraine:** Persons who lost French nationality through the Treaty of Frankfort (1871) and have not since acquired any nationality other than German, are *ipso facto* reinstated in French nationality, as also their descendants, and the naturalization papers filed by them should show their renunciation to "The French Republic." (Exception.—Children of an Alsatian woman of French origin whose paternal ascendants, of German origin, only settled in Alsace or Lorraine after July 15, 1870.)
- (2) **Fiume:** "The Free State of Fiume" was formally annexed to Italy on March 16, 1924, except a very small portion that became Yugoslav territory. The applicant should be allowed to renounce the sovereign to whom he claims allegiance. In the event of doubt, the clerk should communicate with the bureau.
- (3) **Schleswig:** Under the Treaty of Versailles, all persons of German nationality who are inhabitants of that part of the Duchy of Schleswig which was returned to Denmark, lost their German nationality and acquired Danish nationality *ipso facto*; persons of German nationality over 18 years of age, born in the territory returned to Denmark and not habitually resident therein, were entitled to choose Danish nationality within two years of the date on which the sovereignty over this territory was restored to Denmark.
- (4) **Armenia:** Persons claiming to be Armenians should renounce allegiance to either the State of Russia or to the Republic of Turkey, conditioned upon the part of Armenia in which they were born unless they have since taken on another allegiance.

Commissioner of Naturalization.
