Clerk, Common Pleas Court,

Jefferson, Ohio

Dear Sir:-

The following is a Circular Letter No. 82, which was sent to all Clerks of Courts by the Bureau of Naturalization, Washington, D. C. August 1, 1924:

" When an alien presents himself to declare his intention to become a citizen of the United States, whose arrival occurred on or after June 3, 1921, you will present him with Form 2213, and when it has been filled out forward it to the appropriate District Director of Naturalization, in order that the claim of legal entry may be established.

On its receipt, that officer will ascertain from the immigration records whether or not the claim of entry as made is established by the immigration records. Upon proof of lawful entry the form will be forwarded to you for the purpose of enabling the alien to make the declaration of intention desired.

Signed

Raymond F. Crist

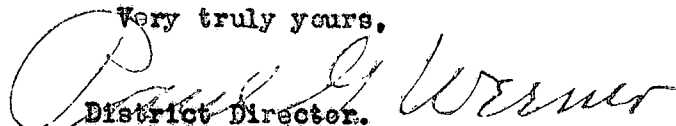

Commissioner of Naturalization.

Note to the Clerk:

When the declaration of intention for this applicant is being executed, please be sure to see that the number appearing on the facts form is placed in the upper left-hand corner of all copies of the declaration under your court number.

This is merely to again call this matter to your attention, as it appears that a number of Clerks are not following these instructions.

Very truly yours,

March 20, 1929.

TO ALL CLERKS OF COURTS EXERCISING JURISDICTION IN NATURALIZATION
PROCEEDINGS, AND OTHERS CONCERNED:

There is inclosed copy of an act approved on March 4, 1929 (Public No. 1011, 70th Congress).

The first subdivision of Sec. 4 of the act of June 29, 1906, has been repealed and re-enacted in changed form, effective on May 3, 1929. A declaration made thereunder must show that the declarant will, before his admission to citizenship, renounce allegiance by name to the foreign sovereignty of which he may be a citizen or subject; but the declaration will not name such sovereignty. Commencing on May 3, 1929, and continuing until further notice, the original, duplicate and triplicate declaration of intention forms now in use must be amended to conform to this law. The words which state an intention to renounce allegiance to a particular sovereign should be lined out, and those words which are underscored in the following indented paragraph should be inserted, making the form read as follows:

I will before being admitted to citizenship ~~It-is-my-bene-
fide-intention-to~~ renounce forever all allegiance and fidelity to any foreign prince, potentate, State, or sovereignty, and particularly ~~-to-~~, by name, to the prince, potentate, State, or sovereignty of which I may be at the time of admission a citizen or of whom I am now a subject;

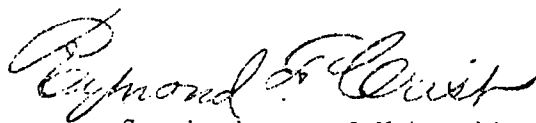

A sample declaration form showing these changes is inclosed.

Sec. 2 of the act became effective on March 4, 1929. This section

validates declarations which contain an erroneous statement of foreign allegiance, provided the error was due to a change of political boundaries, or the creation of new countries, or the transfer of territory from one country to another, and provided also they are otherwise valid. It also prohibits the reinstatement of petitions which have been denied for such cause. The benefits of this section may be obtained by an alien only through his filing a new petition before his declaration becomes more than seven years old.

Sec. 3 also became effective on March 4, 1929. It provides opportunity, for two years from its date, for certain aliens who served in the military or naval forces of the United States at any time after April 5, 1917, and prior to November 12, 1918, and were honorably discharged therefrom, to secure naturalization upon the same terms, conditions, and exemptions as would have been accorded them if they had applied before the Armistice, except that the applicants must file their petitions in person and take the prescribed oath of allegiance in open court. An alien seeking the benefits of this section must be examined by a naturalization examiner before the petition is filed. The applicant should be referred, therefore, to the representative of the bureau having immediate charge of naturalization in the court in which the application may be made. That officer will ascertain all pertinent facts and give appropriate advice.

Very truly yours,

Commissioner of Naturalization.
